## VOLUNTEER CONFIDENTIALITY AGREEMENT

There are federal and state laws that protect the privacy rights of students, families, and staff. In a school situation, there are many instances in which confidential information is discussed in order to better understand students and how we can help them. When working in the schools as a volunteer there may be times when this information is overheard. Our staff will make every effort to prevent this from happening; however, as a volunteer you must agree that if you do hear information, about a student or family you will not repeat this outside of the school. This will ensure the protection of our students' interest and their families, thus creating a better environment for all.

- Each student with whom you work has the right to expect that nothing that happens to or about him or her will be repeated to anyone other than authorized school department employees, as designated by the administrators at your school. Even when discussing a student with those who are directly involved in a student's education, such as a teacher, principal, or guidance counselor, you may not share otherwise confidential information with them unless it is relevant to the student's educational growth, safety, or well being.
- You may not share information about a student even with others who are genuinely interested in the student's welfare, such as social workers, scout leaders, clergy, or nurses/physicians (a grave medical emergency, in which confidential information may be necessary for a student's care, is the only exception). Thus, you must refer all such questions to the school employees so authorized and indicated to you, typically the student's teacher or principal.
- Parents, friends, or community members may in good faith ask you questions about a student's problems or progress. Again, you must refer all such questions to the authorized school employees. You may not share information about a student even with members of your own family or the student's family.
- Before you speak, always remember that violating a student's confidentiality isn't just impolite, it's against the law!

By signing this agreement, I am stating that I will not divulge information about any student or family to any person outside the school setting.
